Report

This report proposes changes to the 2021 Council Calendar.

It is recommended that the orders of the day for the June 16, 2021, Community and Public Services Committee meeting, be changed to begin at 11:30 a.m., as the single item on the agenda is scheduled to be dealt with at 11:30 a.m.

Administration recommends repurposing the morning of June 23, 2021, for the June 22/24, 2021, City Council meeting as there are no items scheduled for the June 23, 2021, Council Services Committee meeting. The June 22/23/24 City Council meeting times will be as follows:

- 9:30 am to 5:30 pm on June 22
- 9:30 am to noon on June 23
- 9:30 am to noon on June 24

As there are no items currently on the agenda, it is recommended that the July 7, 2021, City Council Non-Regular meeting be repurposed to make the continuation of the July 5, 2021, City Council meeting a full-day meeting on July 7, 2021.

The July 9, 2021, Executive Committee Non-Regular meeting is no longer needed as the items that would have been scheduled on the agenda will be dealt with at the June 14, 2021, Executive Committee meeting.

Administration is also recommending that a Non-Regular City Council Public Hearing be scheduled on August 19, 2021, from 9:30 a.m. to noon, for the purpose of discussing the Clean Energy Improvement Pilot Project Bylaw.
