A promotional graphic for the Clean Energy Improvement Program. It features a background image of a solar panel array on a roof. The text is overlaid on the image. In the top left corner, there is a logo for the Clean Energy Improvement Program. The main title is 'Clean Energy Improvement Program' in a large, bold, white font. Below the title, there is a sub-headline: 'Improve comfort and save energy with a different kind of financing, for renovation projects that make a difference.' This is followed by a paragraph: 'Lower your utility bill, make your property more comfortable, and enhance your property value. Invest in energy efficiency or renewable energy upgrades with the Clean Energy Improvement Program. It's an affordable, flexible, and streamlined approach to financing.' Below this paragraph, it says 'Application intake in participating municipalities will begin Summer 2021.' At the bottom of the graphic, there is a green bar with the text 'Financing your upgrades with CEIP makes sense' in white. The background image shows a solar panel array on a roof, with trees and a sky in the background.
