## Report

Upon passage of the Bylaw, the Rehabilitation Incentive and Maintenance Agreement (Schedule “C” of Attachment 1) will be approved and come into effect.

The City will pay the owner up to \$75,000.00, pursuant to the terms of the Rehabilitation Incentive and Maintenance Agreement (Schedule “C” of Attachment 1), to encourage the designation and rehabilitation of the Bashor Residence as a

Municipal Historic Resource, in accordance with City Policy C450B - A Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton.

The Bashor Residence is on the Inventory of Historic Resources in Edmonton and merits designation under City Policy C450B - A Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton. The Bashor Residence is valued for its association with the early development in the Westmount neighbourhood and as one of the earliest examples of craftsman-influenced architectural style.

The owner has completed the application requirements to have the Bashor Residence designated as a Municipal Historic Resource under the provisions of City Policy C450B.

The regulated portions of the structure, as outlined in Schedule “A” of Attachment 1, will be restored. Rehabilitation work will meet the Standards and Guidelines for the Conservation of Historic Places in Canada.

### **Public Engagement**

### **Budget/Financial Implications**

Upon completion of the project phases, the City will pay the owner up to \$75,000.00 for rehabilitation from the Heritage Resources Reserve. The current Reserve balance is sufficient to cover committed funding, including the Bashor Residence.

The total estimated cost of the restoration portion of the project is \$151,652.29. Beyond the \$75,000.00 grant from the Heritage Resources Reserve, the owner is responsible for all costs associated with the restoration portion of the project.

The projections for the Reserve (using current commitments) anticipate a Reserve balance of \$2,015,360.26 at the end of 2021. Administration is considering a number of potential heritage designations for use of these funds, which will be brought forward for Council approval as required. Based on the current commitments, the Reserve balance is anticipated to decline to a balance of \$713,697.22 at the end of 2022. The Reserve is funded by the tax levy on an annual basis (\$2.3 million in 2021 including \$418,000 specifically for the Edmonton Brewing and Malting Company Ltd).

### **Legal Implications**

In consideration of the incentive payable for the rehabilitation of the Historic Resource (as described in Schedule "C" of Attachment 1), the Owner has waived the right to compensation under the *Historical Resources Act*.
