Position of Administration

Administration supports this proposed Charter Bylaw.

Report

Charter Bylaw 19735 proposes to rezone land from the (RF1) Single Detached Residential Zone to the (RF3) Small Scale Infill Development Zone. The proposed RF3 Zone would allow for the development of small scale housing such as Single Detached, Semi-detached and Multi-unit Housing. The Mature Neighbourhood Overlay would continue to apply to the site to ensure the future built form remains compatible with the existing residential neighbourhood. The applicant’s intent is to develop row housing.

All comments from civic departments or utility agencies regarding this proposal have been addressed.

Public Engagement

Advance Notice was sent to surrounding property owners and the president of the Glenora Community League on April 9, 2021. Several responses were received and are summarized in the attached Administration Report.
