## Report

Charter Bylaw 19779 proposes to rezone land from the (RF1) Single Detached Residential Zone to the (RF3) Small Scale Infill Development Zone. The purpose of the proposed RF3 Zone is to provide for a mix of small scale housing such as Single Detached, Duplex, Semi-detached, and Multi-unit Housing. The Mature Neighbourhood Overlay would continue to apply to the site to ensure the future built form remains compatible with the existing residential neighbourhood. The application conforms to the Jasper Place Area Redevelopment Plan, which designates this site for Transit Oriented Housing active edge housing, which aligns with the general purpose and uses allowed in the proposed RF3 Zone. including all the housing forms listed.

All comments from civic departments or utility agencies regarding this proposal have been addressed.
