To whom it may concern:

Thank you for the January 25, 2021 letter regarding the Local Improvement Notice for sidewalk improvements. I appreciate you sharing this information with me.

Alberta Infrastructure has reviewed the notice for the Group Home located at 12812 - 123A Street and understands the cost to the Province for the improvements. The proposed work and associated costs of \$2,958.81 are deemed reasonable and the work is approved to proceed. A copy of this letter has been sent to Municipal Affairs for payment.

If you have any questions, please contact Ashley England, Strategic Asset Planner for Infrastructure's Asset Management Branch by phone at 780 974-7711 or by email at ashley.england@gov.ab.ca.

I appreciate the City of Edmonton's commitment to enhancing the quality of infrastructure for the benefit of all residents.

Thank you for taking the time to write.

Sincerely,

A handwritten signature in blue ink that reads "Shannon Flint".
