

# Public Hearing Council Meeting

Items 3.1 & 3.2 - Bylaws 19813 & 19812

URBAN PLANNING AND ECONOMY

**August 17, 2021**

## EDMONTON CITY PLAN

# THE FUTURE IS URBAN

A collage of diverse human faces in various colors and orientations, overlaid with blue and black geometric shapes. The faces are partially obscured by vertical and horizontal bars of color, creating a layered, abstract effect. The colors used include shades of blue, black, yellow, and grey. The overall composition is modern and urban.

A simplified process will ensure consistent and informed planning decisions as we implement The City Plan.
