

## 8. Motions Pending

### 8.1 Feasibility of Adding Indoor Non-Tobacco Combustion Use to the Edmonton Zoning Bylaw (J. Dziadyk)

Councillor J. Dziadyk stated that at the August 21, 2018, City Council meeting, he would move the following:

That Administration, in the lens of public health and occupational health and safety, prepare a report on the feasibility of adding the use of “Indoor Non-Tobacco Combustion” as an option for businesses, within the Edmonton Zoning Bylaw. This would build on the previously completed work of adding the definition of “Cannabis Lounges” to the Zoning Bylaw. The report should consider age and advertisement restrictions, ventilation requirements, as well as tourism considerations. The definition for “Indoor Non-Tobacco Combustion” can be defined by Administration (and the label can change for accuracy), but it should include the ability for existing restaurants, coffee shops, and similar commercial ventures to add either Shisha Waterpipe use, or the Combustion of Cannabis, to existing operations. The intent is to not treat shisha and cannabis as similar, but to recognize that there is demand to smoke both of these non-tobacco products in commercial establishments. The report should comment on other City bylaws that would be required to be amended, if adoption of this use proceeds.

- Notice of Motion Given: July 9, 2018, City Council Public Hearing

### 8.2 Ogilvie Ridge Surplus School Site (T. Cartmell)

Councillor T. Cartmell stated that at the next regular meeting of City Council, he would move the following:

That Administration, as part of the competitive development process for the Ogilvie Ridge surplus school site, include the following conditions:

1. that only development proposals focused on seniors housing will be considered,
  2. that only development proposals for the alternative building location will be considered,
  3. that qualifying residents (i.e. seniors) from the surrounding neighborhood will be provided a “right of first refusal” to purchase market value residential units for a limited period of time.
- Notice of Motion Given: June 26/27, 2018, City Council
  - Laid Over: July 10/11, 2018, City Council

### **8.3 Early Learning and Care in Edmonton (B. Esslinger)**

Councillor B. Esslinger stated that at the next regular meeting of City Council, she would move the following:

That Administration work with the Early Learning and Care Steering Committee to bring forward a report to Committee in September 2018 on their suggested model for Early Learning and Care in Edmonton.

- Notice of Motion Given: July 10/11, 2018, City Council
