

MOTIONS PENDING REPORT

8.1 Affordable Housing Land Assets - Management and Opportunities (A. Stevenson)

Councillor A. Stevenson stated that at the next regular meeting of City Council, she would move the following:

That Administration report back to City Council with options for ensuring City land assets are prioritized for affordable housing, including:

- the consideration of existing land management governance process,
 - processes to ensure affordable housing needs and opportunities are considered at the time of land acquisition and/or initial conceptual designs for all City-owned facilities,
 - and strategies for ensuring affordable housing projects are prioritized for land opportunities where they will benefit most from proximity to transit and/or other amenities in alignment with the City Plan.
-
- Notice of Motion Given: November 22, 2021, City Council

8.2 102 Avenue LRT Pedestrian Crosswalk Recommendation (A. Stevenson)

Councillor A. Stevenson stated that at the next regular meeting of City Council, she would move the following:

That Administration explore the opportunity to pedestrianize 102 Avenue adjacent to Valley Line LRT and return to Urban Planning Committee with options for consideration.

- Notice of Motion Given: November 22, 2021, City Council

8.3 Problem Properties Progress Report (A. Salvador)

Councillor A. Salvador stated that at the next regular meeting of City Council, she would move the following:

That Administration provide a report on efforts to address problem properties, including:

1. Metrics on the prevalence of problem properties and existing interjurisdictional efforts to address them.
2. Options for additional enforcement tools for both tenant-occupied and vacant/derelict problem properties, including but not limited to tax subclasses.
3. Options to expedite the redevelopment of problem properties, including partnerships with housing providers.

4. Advocacy opportunities for Council to strengthen provincial legislation affecting problem properties.

Due Date: End of First Quarter 2022

- Notice of Motion Given: November 22, 2021, City Council
