Temporary Mandatory Face Coverings Bylaw

Item 7.2

December 13, 2021

Bylaw

- **Where we've been**
 - Bylaw expiry date
 - "Case rate" would trigger deactivation
 - November: triggers removed
- **Where we are**
 - Do we introduce new triggers for reconsideration?

Recommendations

- Use case rates
- Use rescinding of the provincial health order
- Trigger discussion, not removal
