

**OFFICE OF
THE CITY AUDITOR**

REPORT

Recommendation Follow-up

Administration closed 23 recommendations.

There are 13 outstanding recommendations: 11 are not yet due and 2 are overdue.

February 22, 2022

Closed Recommendations

In the period since our last report (November 10, 2021) the Administration has **closed 23 recommendations**.

| Project Name | Department | Recommendation | Original Due Date | Closed Date |
|---|----------------------------|---|-------------------|-------------------|
| 1. City Productivity and Performance Audit (Part 1): Management Staffing Analysis | Office of the City Manager | Rec 1 - Review supervisor responsibilities to reduce costs and layers | March 31, 2022 | November 29, 2021 |

Management Actions:

Administration applied a permanent position and vacancy management strategy, through which 145 supervisory FTEs were reduced as part of the Council-approved 2019 -2022 budget. Additionally, the Administration is exploring solutions and technologies that will modernize the City's job classification system. The outcome is to implement a classification structure/hierarchy for all City jobs, which will attract talent, provide flexibility and fluidity to respond and adapt to the workforce.

| | | | | |
|---|----------------------------|--|-------------------|-------------------|
| 2. City Productivity and Performance Audit (Part 2): Productivity and Performance Measures Analysis | Office of the City Manager | Rec 1- Implement a corporate process for incorporating benchmark measures into the Enterprise Performance Management framework | December 31, 2021 | February 22, 2022 |
|---|----------------------------|--|-------------------|-------------------|

Management Actions:

The Administration developed corporate benchmarking guidelines and adopted targeted productivity benchmarking to support improvement of a subset of services. Administration will incorporate productivity measures and benchmarks into performance reporting for Senior Leadership, Council, and the public.

| | | | | | |
|----|-----------------------|----------------------------------|--|--------------------|------------------|
| 3. | Cloud Computing Audit | Financial and Corporate Services | Rec 3 - Ensure compliance with the cyber security administrative directive | September 30, 2021 | December 2, 2021 |
|----|-----------------------|----------------------------------|--|--------------------|------------------|

Management Actions:

The Open City and Technology Branch implemented a new process to have business areas, which operate their own cloud services, perform self assessments to determine compliance with cyber security guidance.

| | | | | | |
|----|--|-------------------------------|---|-------------------|------------------|
| 4. | Communications and Engagement Department Audit | Communications and Engagement | Rec 6 - Identify and resolve service model exceptions | December 31, 2021 | December 1, 2021 |
|----|--|-------------------------------|---|-------------------|------------------|

Management Actions:

Administration made a budget adjustment in December of 2021 which resulted in a shift in funding for operational positions to align with the Communication and Engagement service model.

| | | | | | |
|----|---|-----------------|---|----------------|-------------------|
| 5. | Edmonton Transit Service Revenue Management Audit | City Operations | Rec 8 - Improve safeguards for fare media | March 31, 2020 | February 18, 2022 |
|----|---|-----------------|---|----------------|-------------------|

Management Actions:

The Edmonton Transit Service Branch revised the Fare Media Distribution Centre (FMDC) procedures and provided training for FMDC employees on the new procedures.

| | | | | | |
|----|---|-----------------|---|------------------|------------------|
| 6. | Electrical Services Contract Management Audit | City Operations | Rec 3 - Use contract controls to monitor contractor performance | January 31, 2022 | January 28, 2022 |
|----|---|-----------------|---|------------------|------------------|

Management Actions:

The Parks and Roads Services Branch established key performance indicators to monitor contractor performance. These key performance indicators also allow the City to compare contractor performance and factor performance into the assignment of future work.

| | | | | | |
|----|---|-----------------|---|------------------|------------------|
| 7. | Electrical Services Contract Management Audit | City Operations | Rec 4 - Enforce the terms and conditions of the contracts | January 31, 2022 | January 28, 2022 |
|----|---|-----------------|---|------------------|------------------|

Management Actions:

The Parks and Roads Services Branch created contract management plans for all electrical services contracts based on how each business area uses the contracts. The Branch also clearly defined the roles and responsibilities and actions of enforcing the terms and conditions of the contract.

| | | | | | |
|----|-------------------------|-----------------|---|-------------------|-------------------|
| 8. | Forestry Services Audit | City Operations | Rec 2 - Document inspections and invoice approval | November 30, 2021 | November 29, 2021 |
|----|-------------------------|-----------------|---|-------------------|-------------------|

Management Actions:

The Parks and Roads Services Branch created an electronic inspection form with mapping technology. The Branch also used the inspection form to track maintenance activities completed by staff and contractors, including invoice approvals.

| | | | | | |
|----|-------------------------|-----------------|------------------------------------|-------------------|-------------------|
| 9. | Forestry Services Audit | City Operations | Rec 3 - Review tree inventory data | November 30, 2021 | November 29, 2021 |
|----|-------------------------|-----------------|------------------------------------|-------------------|-------------------|

Management Actions:

The Parks and Roads Services Branch developed standard operating procedures for various tree activities to instruct staff on which data fields are mandatory. Staff use tablets to update tree inventory data from the field and training has been provided.

| | | | | | |
|-----|-------------------------|-----------------|--------------------------------------|-------------------|-------------------|
| 10. | Forestry Services Audit | City Operations | Rec 4 - Review equipment utilization | November 30, 2021 | November 29, 2021 |
|-----|-------------------------|-----------------|--------------------------------------|-------------------|-------------------|

Management Actions:

The Parks and Roads Services Branch created reports and dashboards to track equipment utilization and planned maintenance work. The Branch uses this information to identify opportunities to optimize the use of forestry equipment.

| | | | | |
|--|----------------------------|--|-------------------|-------------------|
| 11. Historical Resource Management Program Audit | Urban Planning and Economy | Rec 2 - Update historic resource listing | December 31, 2021 | February 17, 2022 |
|--|----------------------------|--|-------------------|-------------------|

Management Actions:

The Planning and Environment Services Branch reviewed the current Historic Resource Listing, identified duplicated records, and updated the data system to ensure they are accurate. The Branch also developed an annual review process to enhance its accuracy and completeness.

| | | | | |
|--------------------------------------|---|---|-------------------|-------------------|
| 12. Open Spaces Asset Transfer Audit | Integrated Infrastructure Services / Urban Planning and Economy | Rec 1 - Document inspections and deficiencies | December 31, 2021 | November 10, 2021 |
|--------------------------------------|---|---|-------------------|-------------------|

Management Actions:

The Building Great Neighbourhoods Branch, the Development Services Branch, and the Parks and Roads Services Branch have formalized the inspection process by developing an electronic inspection form. Inspectors used the form in the 2021 construction season to record and address deficiencies.

| | | | | |
|--------------------------------------|---|---------------------------------------|----------------|-------------------|
| 13. Open Spaces Asset Transfer Audit | Integrated Infrastructure Services / Urban Planning and Economy | Rec 2 - Communications of inspections | March 31, 2022 | November 10, 2021 |
|--------------------------------------|---|---------------------------------------|----------------|-------------------|

Management Actions:

The Building Great Neighbourhoods Branch and the Development Services Branch have formalized a process to inform the Parks and Roads Services Branch of inspections with open space assets. It also created an electronic request form to schedule inspections and provides the Parks and Roads Services Branch with project lists and schedules prior to the construction season.

| | | | | |
|--|---|---|----------------------|---------------------|
| 14. Open Spaces Asset Transfer Audit | Integrated Infrastructure Services / Urban Planning and Economy | Rec 3 - Formalize the process to input assets into SLIM | December 31, 2021 | January 26, 2022 |
|--|---|---|----------------------|---------------------|

Management Actions:

The Building Great Neighbourhoods Branch, the Development Services Branch, and the Parks and Roads Services Branch have formalized the process to enter information for all newly accepted open space assets into SLIM. The Parks and Roads Services Branch uses the information to schedule maintenance for these open space assets.

| | | | | |
|---------------------------------|--|---|----------------------|----------------------|
| 15. Real Estate Branch Audit | Financial and Corporate Services | Rec 3 - Complete and implement the performance measurement framework | December 31, 2021 | December 20, 2021 |
|---------------------------------|--|---|----------------------|----------------------|

Management Actions:

The Real Estate Branch prepared a comprehensive performance measurement framework for implementation in 2022. This framework included specific goals for each service area, updated targets, and documented methodology.

| | | | | |
|---------------------------------|--|--|-------------------|---------------------|
| 16. Real Estate Branch Audit | Financial and Corporate Services | Rec 5 - Produce an annual report of land holdings | March 31, 2022 | February 1, 2022 |
|---------------------------------|--|--|-------------------|---------------------|

Management Actions:

The Real Estate Branch prepared a 2021 Land Holding Status Report as outlined in the 2018 Land Management Guidelines. This report provides senior management with information in performing their roles related to governance of City property.

| | | | | |
|--------------------------------|-----------------|---|-------------------|-------------------|
| 17. Snow and Ice Control Audit | City Operations | Rec 2 - Improve decision-making processes | December 31, 2021 | February 22, 2022 |
|--------------------------------|-----------------|---|-------------------|-------------------|

Management Actions:

The Parks and Roads Services Branch created a Snow and Ice Control Working group consisting of staff that are representative of the variety of positions. In addition, Branch management visited yards to meet with staff and promote open communications. Management identified the need to develop an Internal Communications Tactical Plan to further support decision-making processes and communication.

| | | | | |
|--------------------------------|-----------------|---|-------------------|------------------|
| 18. Snow and Ice Control Audit | City Operations | Rec 4 - Develop performance measures that support decision-making | December 31, 2021 | December 1, 2021 |
|--------------------------------|-----------------|---|-------------------|------------------|

Management Actions:

The Parks and Roads Services Branch created key performance indicator dashboards for the Snow and Ice Control Program. The indicators are aligned to corporate goals.

| | | | | |
|--------------------------------|-----------------|--|-------------------|-----------------|
| 19. Snow and Ice Control Audit | City Operations | Rec 5 - Improve benchmarking processes | December 31, 2021 | January 4, 2022 |
|--------------------------------|-----------------|--|-------------------|-----------------|

Management Actions:

The Parks and Roads Services Branch identified potential benchmarking measures and completed a readiness assessment for each identified measure. They also built processes and data infrastructure to support repeatable data collection for these measures as needed.

| | | | | |
|--------------------------------|-----------------|---|-------------------|-------------------|
| 20. Snow and Ice Control Audit | City Operations | Rec 6 - In-house versus contracted services cost analysis | December 31, 2021 | February 22, 2022 |
|--------------------------------|-----------------|---|-------------------|-------------------|

Management Actions:

The Parks and Roads Services Branch regularly compared the costs of purchasing, renting, or leasing various pieces of equipment.

| | | | | |
|--------------------------------|-----------------|--|--------------------|-------------------|
| 21. Snow and Ice Control Audit | City Operations | Rec 9 - Expand standard operating procedures to include all key activities | September 30, 2021 | November 30, 2021 |
|--------------------------------|-----------------|--|--------------------|-------------------|

Management Actions:

The Parks and Roads Services Branch expanded the Standard Operating Procedures to ensure they cover all key snow and ice control activities.

| | | | | |
|--------------------------------|-----------------|--|--------------------|-----------------|
| 22. Snow and Ice Control Audit | City Operations | Rec 12 - Strengthen complaint handling processes | September 30, 2021 | January 5, 2022 |
|--------------------------------|-----------------|--|--------------------|-----------------|

Management Actions:

The Parks and Roads Services Branch updated 311 scripts. In addition, the Branch developed a process for centralizing, recording, and handling of Councillor inquiries.

| | | | | |
|------------------------------|------------------|--|-------------------|-------------------|
| 23. Social Development Audit | Citizen Services | Rec 3 - Improve the adequacy of the administration processes for financial contributions | December 30, 2021 | December 23, 2021 |
|------------------------------|------------------|--|-------------------|-------------------|

Management Actions:

The Social Development Branch used its Customer Relationship Management Grantor system to help centralize the management of financial contribution data. In addition, the Branch also developed an electronic form that will be used to input information from funding agreements into the system.

Overdue Recommendations

There are two overdue recommendations.
