## REPORT

This report proposes changes to the 2022 Council Calendar.

It is recommended that the April 19, 2022, City Council continuation meeting be rescheduled to April 20, 2022, and that the April 20, 2022, Emergency Advisory Committee meeting be cancelled. The reason for this recommendation is scheduling challenges.

Under Bylaw 19091 Emergency Management Bylaw, the Emergency Advisory Committee (EAC) must meet at least once annually. The Emergency Advisory Committee is scheduled to meet on August 30, 2022. Additional EAC meetings can be scheduled as required.

There are two discussions being organized between City Council and the Edmonton Police Commission. The first conversation will be scheduled during the April 28, 2022, City Council Non-Regular meeting and a second conversation will be held during a Special City Council meeting on June 8, 2022.
