## **Bylaw 20038 - To Designate the Canada Permanent Building as a Municipal Historic Resource**

C450B - A Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton.

The Canada Permanent Building is listed on the Inventory of Historic Resources in Edmonton and merits designation under City Policy C450B - A Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton. The Canada Permanent Building is valued for its Edwardian Baroque architecture and its associations with the notable early 20th-century Edmonton architect Roland Lines and with the Canada Permanent Mortgage Company.

The owner has completed the application requirements to have the Canada Permanent Building designated as a Municipal Historic Resource under the provisions of City Policy C450B.

The regulated portions of the structure, as outlined in Schedule "A" of Attachment 1, will be restored. Rehabilitation work will meet the Standards and Guidelines for the Conservation of Historic Places in Canada.

### **COMMUNITY INSIGHTS**

Through the creation of The City Plan, Edmontonians advised that it was critical to balance the stewardship of historical resources while development and modernization proceeds — this is The City Plan value of Preserve. Formal public engagement is not required for this process under the *Historical Resources Act*. Administration has engaged with the owner of the property throughout the designation process.

### **Budget/Financial Implications**

Upon completion of the project phases, the City will pay the owner up to \$112,620 for rehabilitation from the Heritage Resources Reserve. The current Reserve balance is sufficient to cover committed funding, including the Canada Permanent Building.

The total estimated cost of the restoration portion of the project is \$225,240. Beyond the \$112,620 grant from the Heritage Resources Reserve, the owner is responsible for all costs associated with the restoration portion of the project.

After considering the funds committed to date and the \$112,620 Rehabilitation incentive above, the Heritage Resource Reserve is projected to have a balance of \$4,092,105 at the end of 2022 declining to \$1,803,600 by the end of 2023. Administration is considering a number of potential heritage designations for use of these funds, which will be brought forward for Council approval as required. The Heritage Resource Reserve is funded by the tax levy on an annual basis (\$2,328,584 in 2021 including \$417,550 specifically for the Edmonton Brewing and Malting Company Ltd).
