

Motions to be Rescinded (Spring 2022 General Repealing Bylaw)

Department	Report Number	Report Title	Motion	Notes/Justification
Community Services	CR_7585	Youth Opioid Strategies and Youth Mental Health Survey Results	<p>At the September 4, 2019, Community and Public Services Committee meeting, the following motion passed:</p> <p>That Administration work with the City of Edmonton Youth Council to develop more detailed strategies for the three recommendations in the September 4, 2019, City of Edmonton Youth Council report CR_7460, provide the results of the Youth Mental Health Survey, and report back to Community and Public Services Committee.</p>	The Youth Mental Health Survey was conducted in 2019 and is now outdated. Along with changes to the Youth Council members and work plans and impacts of the pandemic, this report is no longer required. Future work on this topic may be brought forward as needed.
Community Services	CR_7608	International Holocaust Remembrance Alliance	<p>At the September 10, 2019, City Council meeting, the following motion passed:</p> <p>That Administration, in consultation with the Anti-Racism Advisory Committee, provide a report to Community and Public Services Committee highlighting the value of adopting the International Holocaust Remembrance Alliance definition of anti-semitism and a recommendation to make an annual declaration reaffirming the</p>	Administration has observed the need to engage in a considerable engagement strategy in order to capture the incredibly diverse and complex perspectives presented by stakeholders. This work may best be aligned with the upcoming anti-racism strategy.

			definition and affirming the City's support for the eradication of anti-semitism, and all other forms of discrimination and hate.	
Community Services	CS00634	Consumption of Cannabis Infused Drinks in Public Parks	At the May 3, 2021, City Council meeting, the following motion passed: That Administration explore the implications of permitting the consumption of cannabis infused drinks in select river valley parks and report back to City Council.	As consumption of edible cannabis, including drinks, is already permitted in all public spaces, a permitting system is not required to enable this activity in parks.
Community Services	CS00780	Overnight Paddlers Parking Pass	At the August 16, 2021, City Council meeting the following motion passed: That Administration provide options to create an overnight paddlers parking pass in City of Edmonton Parks where boat docks and launches have been installed.	The City has mechanisms in place for addressing overnight paddlers' needs through existing bylaws and processes.
City Operations	CO00574	Access to Supports and Services Within Transit Stations - Program and/or Delivery Proposal(s)	At the April 6, 2021, City Council meeting, the following motion passed: 2. That Administration work with community partners including but not limited to Boyle Street, REACH, Edmonton Mennonite Centre for Newcomers, Bissell Centre, Big	The report is no longer required as the spirit of the motion has been met by implementation of the Community Outreach Transit Team.

			Brothers Big Sisters, Mosaic Centre, iHuman, Native Counselling Services of Alberta and YESS to increase referrals to 24/7 Crisis Diversion, and return to Committee with program and/or delivery proposal(s) for agencies to provide access to supports and services within transit stations.	
Financial and Corporate Services	FCS00187	Improving Industrial Competitiveness	At the November 2, 2020, City Council meeting the following motion passed: That Administration explore opportunities and develop a framework and draft policy for how the City of Edmonton could use tax incentive tools (including but not limited to the 'Bill 7' tools) that addresses competitiveness and varying service levels and infrastructure conditions, to attract investment and jobs within our industrial areas, in consultation with regional, economic development and investor stakeholders and report back in Third Quarter of 2021.	Administration is recommending this motion be rescinded because it was made by Council in 2020 prior to the development of the Collaborative Economic Development Initiative underway in the region. Administration is not recommending a tax incentive framework at this time, as Edmonton's industrial competitiveness is supported by the absence of Machinery and Equipment Tax.
Office of the City Clerk	CR_6153	Petition Requirements	At the June 13, 2018, City Council meeting, the following motion passed:	This motion was made in 2018. A report was tabled at Executive Committee in early 2020. The

			<p>That Administration provide a report on options to change the requirements for petitions including:</p> <ul style="list-style-type: none"> ● options to decrease the required percentage of eligible signatures; ● accepting online petitions; ● extending the time period for collections signatures; ● allowing petitioners to recall their signatures; and ● a high-level scan of how other large Canadian municipalities handle petitions. 	<p>matter was not dealt with due to scheduling reasons. Administration will return with a report when there are changes to the <i>Municipal Government Act</i>.</p>
Office of the City Manager	CR_8374rev	Potential Amendments to the Emergency Management Bylaw	<p>At the October 1, 2020 , Executive Committee meeting, the following motion passed:</p> <p>That the October 1, 2020, Office of the City Manager report CR_8374, be referred to Administration to:</p> <ol style="list-style-type: none"> 1. Work with other municipalities and associations to determine what priorities should be advocated for in a joint submission to the provincial government. 2. Return to Committee with potential amendments to the 	<p>Administration is returning to Council with recommended changes to the Bylaw based on feedback from the Provincial Emergency Management Office at the May 9/11, 2022 City Council meeting This motion is no longer required.</p>

			Emergency Management Bylaw to require regular meetings of Emergency Advisory Committee during a state of local emergency and expand its mandate to monitor emergent situations where a state of local emergency has not been declared.	
Office of the City Manager	OCM01095	Municipal Restriction Exemption Program - Options and Implications	At the February 7/9, 2022, City Council meeting, the following motion passed: 1. That Administration return to Council with options for and detailing the implications of implementing a municipal Restriction Exemption Program (REP) and/or an active screening program including options for both City owned and operated facilities and citywide private businesses.	This motion is recommended for rescission as it is no longer applicable.
