Report

The purpose of proposed Bylaw 18200 is to change the Zoning Bylaw from (AG) agricultural zone to (A) metropolitan recreation zone, (NA) natural area zone, (AP) public parks zone, (PU) public utility zone, (RA9) high rise apartment zone, (MMUT) Marquis mixed use transition zone, (MMS) Marquis main street zone, (MED) Marquis entertainment district zone and (MRC) Marquis retail centre zone. The proposed special area zones for the Marquis Town Centre will allow for a variety of commercial, residential, office, institutional, recreational and entertainment uses with enhanced regulations for building design and walkability. The four proposed Special Area Zones are as follows:

- Marquis Retail Centre (MRC): larger format auto-oriented commercial uses next to freeways and arterials along the periphery of the town centre with smaller format uses closer to the LRT station area;
- Marquis Main Street (MMS) Zone: a main street pedestrian oriented commercial area with links to planned residential and commercial uses and in proximity to existing community recreational uses;
- Marquis Entertainment District (MED) Zone: a community level entertainment district; and
- Marquis Mixed Use Transition (MMUT) Zone: a mixed use high density commercial and residential area adjacent to the LRT station.

Associated amendments to the Horse Hill Area Structure Plan (Bylaw 18197), Marquis Neighbourhood Structure Plan (Bylaw 18198) and Zoning Bylaw (18199) accompany this Bylaw.

All comments from affected City Departments and utility agencies have been addressed.
