

City Policies to be Repealed

Policy	Justification
C464 - Clean-Up of Dangerous Goods <i>Approved by City Council on December 18, 1991</i>	This policy is from 1991 and is redundant as the Clean-Up of Dangerous Goods is embodied in the Fire Rescue Services Master Plan.
C527 - Waste Management <i>Approved by City Council on April 7, 2007</i>	This policy is no longer required as Council Policy C558B -Waste Services Utility Fiscal Policy provides clear financial direction for the Utility to be operated in a manner that balances the best possible service at the lowest cost. Additionally, the approved 25-year Waste Strategy (August 29, 2019, City Operations report CR_5829) provides strategic direction for the Waste Services Utility and re-affirmed the 90% diversion goal originally set in policy C527.
