BYLAW NO. 4531

A Bylaw to Provide a
Temporary Public Roadway

WHEREAS Section 179 and Section 180 of the Municipal Government Act provide as follows:

"179. The council may pass a by-law for the opening and maintaining of a temporary road or right of way for public purposes, across private property for a term not exceeding two years, when in the opinion of the council the condition of the public road in the neighborhood makes the action necessary or expedient."

"180. The council that passes a by-law under section 179 shall make provision therein for funds for paying compensation for the use thereof in every instance to the occupier or owner of the land upon which the temporary road has been opened, as may be mutually agreed upon between the council and the person interested, or in the event of disagreement the compensation as may be determined by the Public Utilities Board."

AND WHEREAS Council deems it expedient to open and maintain a temporary road over the private lands hereinafter described.

NOW THEREFORE the Municipal Council duly assembled enacts as follows:

1. The private property described in Schedule "A" hereto is hereby appropriated to the use of the City for a period not exceeding two (2) years for the purpose of opening and maintaining a temporary road for public purposes.
2. The City shall pay such compensation for the use of the private property to the occupier or owner of the land upon which

the temporary road has been opened as may be mutually agreed upon,
or in the event of disagreement, such compensation as may be
determined by the Public Utilities Board.
