Bylaw 20068 - A Bylaw to amend Bylaw 19756, to authorize the City of Edmonton to provide a guarantee on a line of credit for Edmonton Metropolitan Transit Services Commission (EMTSC)

At the July 5, 2021 City Council meeting, Bylaw 19756 was passed providing a guarantee to the Edmonton Metropolitan Transit Services Commission (EMTSC) for \$3.3 million, or two-thirds of the original \$5,000,000 line of credit.

At the March 17, 2022 board meeting, the EMTSC Board of Directors approved increasing the organization's line of credit by \$2,000,000 from \$5,000,000 to \$7,000,000 to provide integrated transit services for the member municipalities.

The EMTSC is requesting that the City of Edmonton provide additional security in the form of a guarantee to Toronto Dominion Bank at a value of two-thirds of the increase. Therefore, the guarantee on a line of credit for the EMTSC will be increased by \$1,333,333 from \$3,300,000 to \$4,633,333.

The City of St. Albert has been asked to provide security for the remaining one-third increase of \$666,667, increasing their total guarantee to \$2,366,667. The EMTSC has committed the Commission to reimburse the City of Edmonton and the City of St. Albert for any direct costs incurred to provide and maintain the security required.
