**River Valley Planning
Modernization Phase 2 Update**
UPE01049

May 31, 2022

Edmonton

River Valley Planning Modernization

- Renews the planning approach for the River Valley through updates to the Ribbon of Green plan (strategic) and River Valley ARP (statutory)

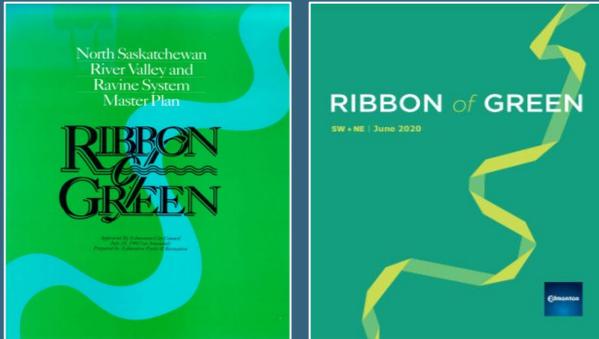

Guiding Question

How will the River Valley remain the core of a vibrant and ecologically resilient open space network as the city grows?

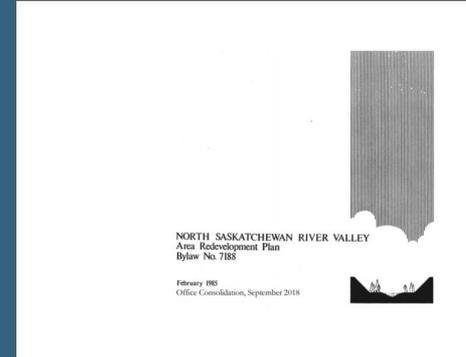

PLAN RENEWAL

RIBBON OF GREEN

Guidance for River Valley protection, access and use

RIVER VALLEY ARP

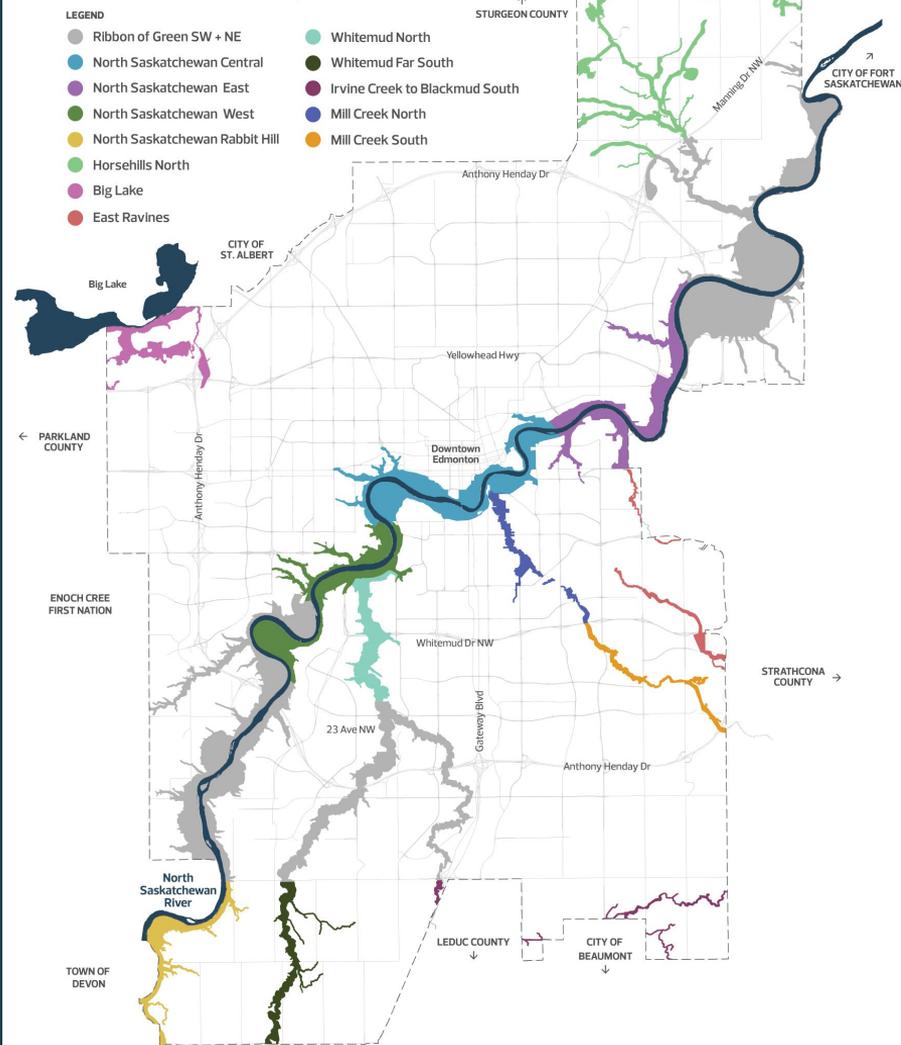

How we **regulate** and **make decisions**

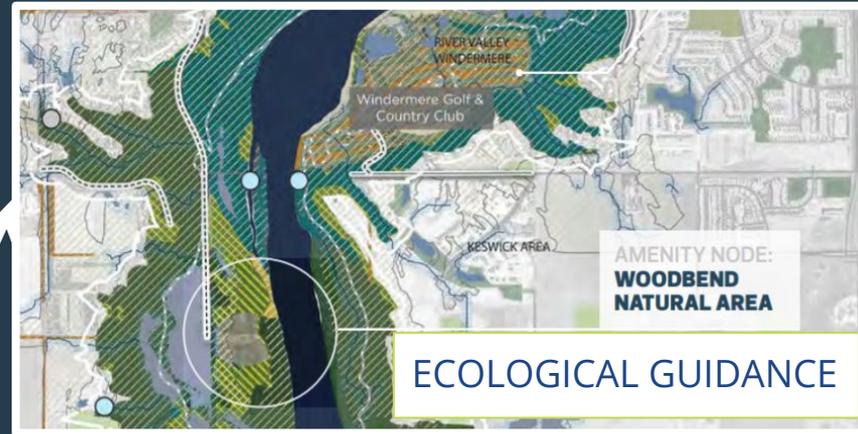

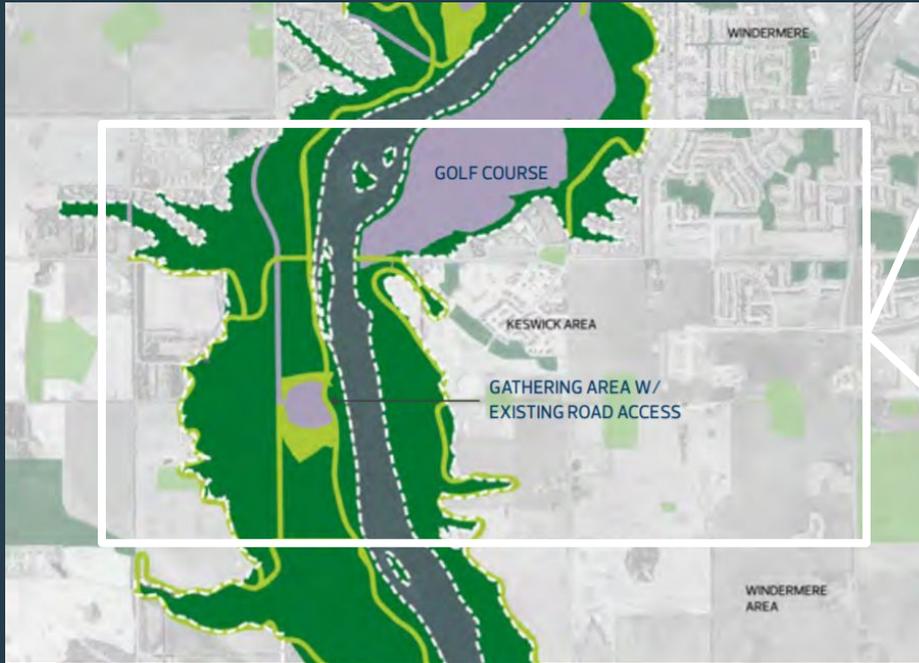

PHASE 2

- Land Management Classifications, amenity nodes, trail connections
- Visions and planning priorities
- Decision-making

Edmonton River Valley Plan Reaches

Planning Guidance

WHAT WE HEARD

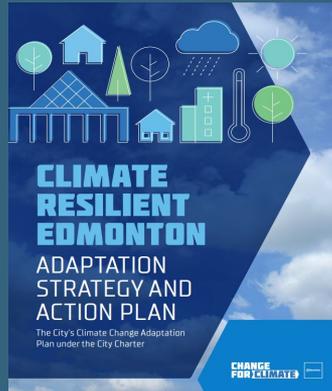

- Integrate ecological protection and enjoyment
- Future of single-track trails
- Clear and transparent decision-making
- Indigenous perspectives and involvement

ALIGNING WITH CITY-WIDE DIRECTION
