#### **Report**

Charter Bylaw 20145 will amend the Zoning Bylaw, as it applies to the subject site, from (RA7) Low Rise Apartment Zone to (DC2) Site Specific Development Control Provision for the purpose of accommodating small to medium scale infill development.

This proposal aligns with the goals and policies of The City Plan to accommodate all future growth for an additional 1 million population within Edmonton’s existing boundaries. To do this, 50% of new residential units are intended to be created at infill locations.

All comments from civic departments or utility agencies regarding this proposal have been addressed.
