

ESG Outcomes and BIAs - from Annual Reports

In order to limit the resource requirement on the Business Improvement Areas for this reporting cycle, Administration has pulled key projects and items from the association annual reports and from Executive Director input to summarize ESG projects/outcomes of their work for the past year. Administration is working on providing training and on building and aligning reporting needs on this subject. This report is meant to help introduce the associations to ESG and to help set a baseline for further incorporation into their work.
