To Gabriela Pineda:

Thank you for your April 25, 2022 letter regarding the Local Improvement Notice for sidewalk reconstruction. I appreciate you sharing this information with me.

Alberta Infrastructure has reviewed the notice for the Group Home located at 13138 - 88 Street NW and understands the cost to the Province for the improvements. The proposed scope of work and associated costs of \$1,156 are deemed reasonable and the work is approved to proceed. A copy of this letter has been sent to Municipal Affairs for payment.

If you have any questions, please contact Ashley England, Strategic Asset Planner at 780-974-7711 or by email at [ashley.england@gov.ab.ca](mailto:ashley.england@gov.ab.ca).

I appreciate the City of Edmonton's commitment to enhancing the quality of infrastructure for the benefit of all residents.

Thank you for taking the time to write.

Sincerely,
