

**Cost Summary: Phase I and II**

Table 1 lists the additional costs that are required in association with Phase I and II. The estimate should be considered +/- 10 per cent and does not include any costs beyond Phase II (implementation). Further, this estimate does not include the cost of current staff resources that will be needed to contribute to this project, for example internal subject matter experts and stakeholders.

**Table 1: Phase I and II Cost Summary**

<b>Item</b>	<b>Phase I</b>	<b>Phase II</b>
