REPORT

The Carleton Sheldon Residence is listed on the Inventory of Historic Resources in Edmonton and merits designation under City Policy C450B - A Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton. The owners have completed the application requirements to have the Carleton Sheldon Residence designated as a Municipal Historic Resource under the provisions of City Policy C450B. The regulated portions of the structure, as outlined in Schedule “A” of Attachment 1, will be restored. Rehabilitation work will meet the *Standards and Guidelines for the Conservation of Historic Places in Canada*.

BYLAW 20158 - A BYLAW TO DESIGNATE THE CARLETON SHELDON RESIDENCE AS A MUNICIPAL HISTORIC RESOURCE

Upon passage of Bylaw 20158, the Carleton Sheldon Residence will be designated a Municipal Historic Resource and the Rehabilitation Incentive and Maintenance Agreement (Schedule “B” of Attachment 1) will be approved and come into effect. The City will pay the owners up to \$97,130.72 to assist in the costs of rehabilitation to the historic elements of the structure.

The Carleton Sheldon Residence, built in 1914, is valued for its Craftsman design influences and as an early example of residential development in the Highlands neighbourhood.

Budget/Financial Implications

Upon completion of the project phases, the Heritage Resources Reserve will pay the owners up to \$97,130.72 for rehabilitation of the historic elements of the structure.

The total estimated cost of the eligible heritage rehabilitation work for the project is \$194,261.44. The owners are responsible for all costs of the heritage rehabilitation work and broader costs for the project beyond the \$97,130.72 grant from the Heritage Resources Reserve.

After considering the funds committed to date, the Heritage Resource Reserve is projected to have a balance of \$4,092,105 at the end of 2022 declining to \$1,803,600 by the end of 2023. Administration is considering a number of potential heritage designations for use of these funds, which will be brought forward for Council approval as required. The Heritage Resource Reserve is funded by the tax levy on an annual basis (\$2,328,584 in 2022 including \$417,550 specifically for the Edmonton Brewing and Malting Company Ltd).

Legal Implications

In consideration of the incentive payable for the rehabilitation of the Historic Resource (as described in Schedule “B” of Attachment 1), the owners have waived their right to compensation under the *Historical Resources Act*.

COMMUNITY INSIGHTS

Through the extensive engagement completed to develop The City Plan, Edmontonians emphasized the importance of “preserve” as one of six guiding values. Specific public engagement is not required for this process under the *Historical Resources Act*. Administration has engaged with the owners of the property throughout the designation process.
