Report

The purpose of the proposed Charter Bylaw 20237 is to rezone one residential lot from the (RF1) Single Detached Residential Zone to (RF3) Small Scale Residential Infill Zone to allow for a mix of small scale housing such as Single Detached, Duplex, Semi-detached, and Multi-unit Housing. The proposed zone is appropriately located on a corner and has regulations which are designed to ensure that infill development, such as Multi-unit Housing, is sensitive to the surrounding context.

All comments from civic departments or utility agencies regarding this proposal have been addressed.
