Report

This application proposes to close a portion of the 184 Street SW road right-of-way in the Keswick neighbourhood, south of Kimball Way SW. The closure area will be consolidated with the abutting lands to the west to accommodate future residential development.

The technical requirements of civic departments and utility agencies have been met. The application conforms with the Windermere Area Structure Plan and Keswick Neighbourhood Structure Plan, which identify the site for low density residential uses.

A sales agreement has been executed with the purchaser.

Bylaw 20133 will be dealt together with Bylaw 20218 (Item 3.23) as they relate to two halves of the same road closure area. Bylaw 20133 encompasses the west half, Area “A”.
