Report

Haddow Park is located in the middle of the Haddow neighbourhood. It contains a playground and playing fields. A future school is designated for the northern part of the site, but is unfunded. The park was acquired as Municipal Reserve (MR) in 2001 and 2002, and reserve dedication was removed in 2012 to allow for flexibility with respect to a surplus school site development. Replacing the MR designation formalizes its status as a park and offers protection against disposal and incompatible uses.
