**CHANGES TO APPROVED  
SANITARY SERVICING  
STRATEGY FUND PROGRAM**

Utility Committee  
January 30, 2023

Howaida Hassan  
Director, Urban Growth & Open Space

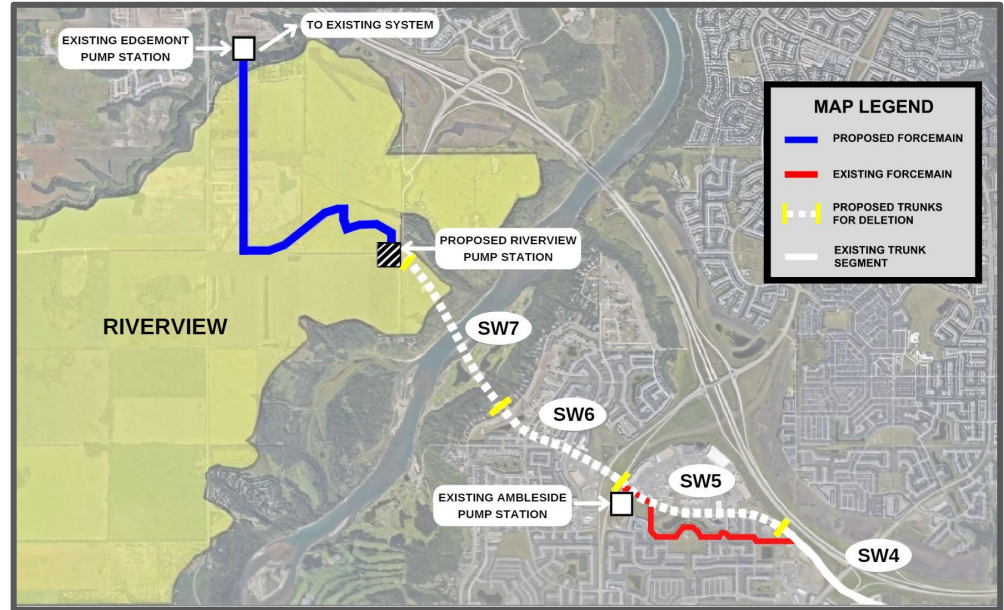

## WHAT IS THE SSSF?

- A reserve fund established in 1998 to pay for sanitary trunk construction to support growth
- Aligned with The City Plan
- Pooled funds from development charges
- Managed by Oversight Committee comprised of the City, EPCOR and industry representation
- Updated governance model approved by Council in April 2021

# PROPOSED CHANGES

- Changes require Council approval
- Proposed changes:
  - Deletion of trunk segments SW5, SW6 and SW7
  - Addition of Riverview pump station and forcemain system
- Industry engagement and communications undertaken

## NEXT STEPS

- Potential Riverview ASP & NSP amendments
- EPCOR's Sanitary Integrated Resource Plan (SanIRP)
- Review of SSSF Program
