PROPOSED LAND USE

Priority areas for garage and garden suits encourage improved overlook of parks and walkways

Additional opportunities for new commercial uses are limited to help maintain a vibrant Stony Plain Road

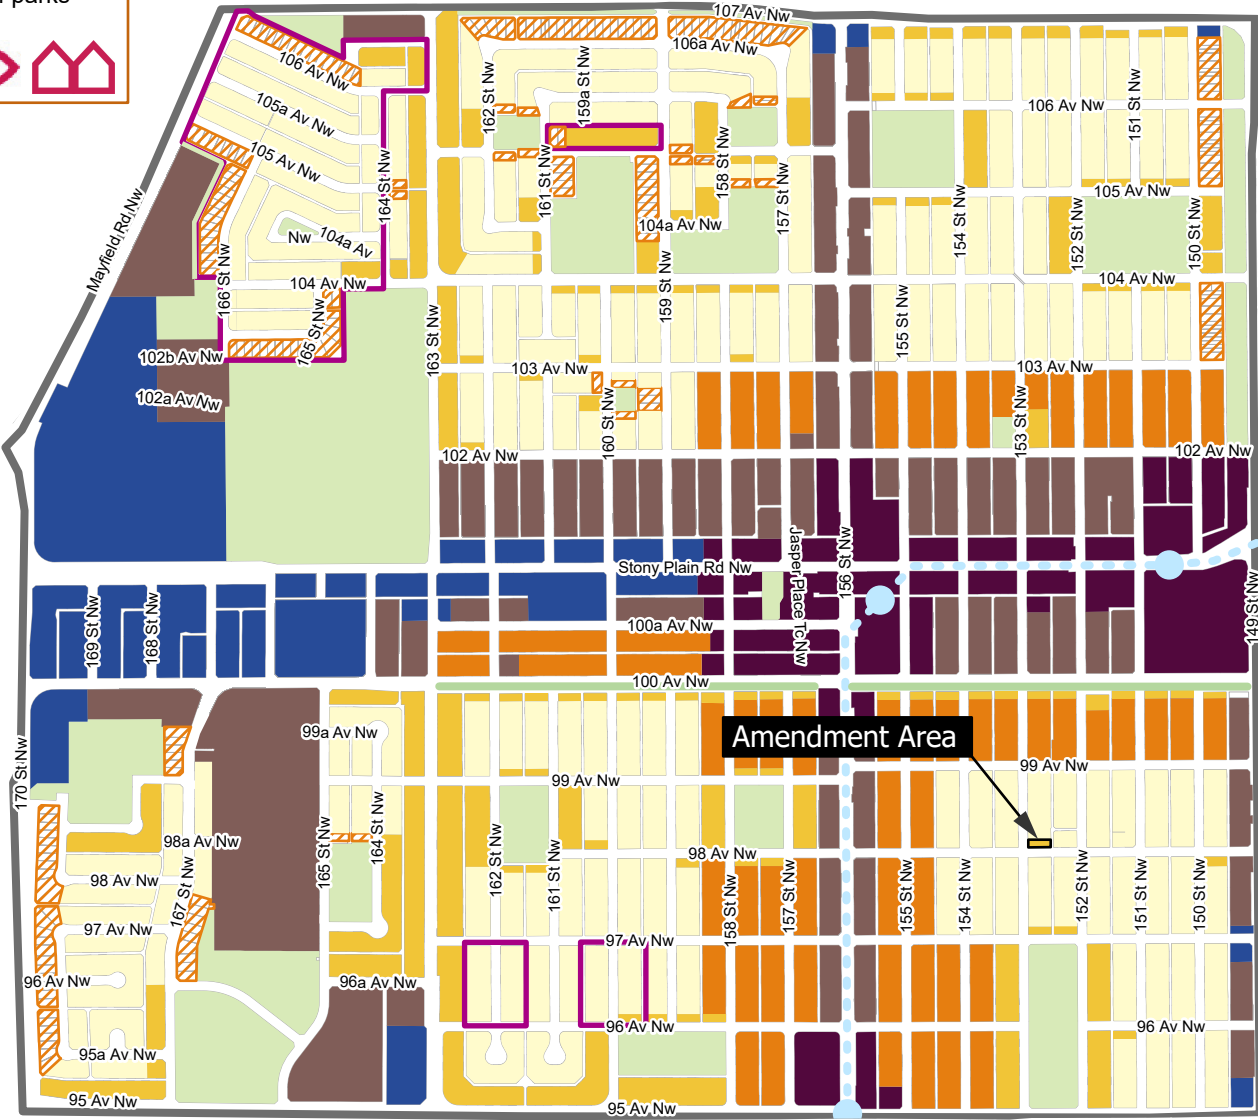

Guidelines encourage commercial buildings to front onto adjacent streets and create a more positive pedestrian experience

Guidelines encourage strong edges along key community corridors

Opportunities for more housing options are provided throughout the neighbourhoods

Opportunities for low rise apartments are maintained. Guidelines encourage redeveloped buildings to have underground parking and be more urban, street-fronting buildings

Guidelines encourage a central mixed use hub to support a vibrant and safe pedestrian oriented shopping street in the heart of Jasper Place, as well as around future LRT

Opportunities for a mix of uses encourage walkable amenities and a sense of safety around the existing transit centre and new LRT stations

Opportunities for ground oriented housing encourage easy access to transit and services, and provide a transition from the corridors into the neighbourhoods

WJP3

Additional housing opportunities are provided in proximity to services and transit

WJP6

Mixed use corners will help create vibrant station hubs

WJP4

Opportunities for row and stacked row housing are provided to allow redevelopment of smaller sites

WJP1

Laneway access is encouraged in areas where this is currently the norm

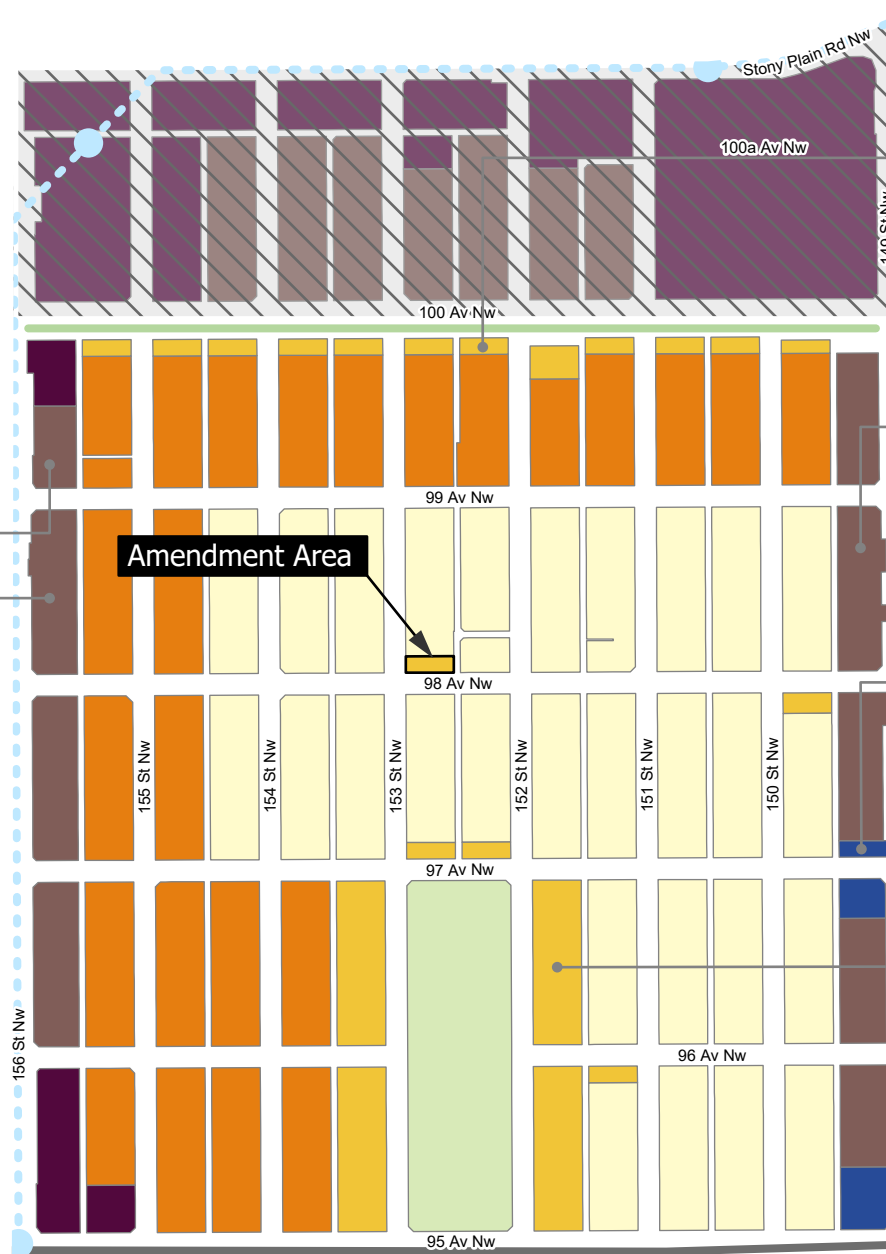

WJP1

Opportunities for more housing options are provided throughout the neighbourhood

WJP1

Front and side setbacks are maintained to promote a sense of space

WJP2

Opportunities are provided for buildings to be oriented towards the shared-use path to provide overlook

WJP4

Opportunities for new low rise apartments are maintained. Guidelines encourage redeveloped buildings to have underground parking and be more urban, street-fronting buildings

WJP5

Guidelines encourage redeveloped commercial buildings to address adjacent streets to create a more positive pedestrian experience

WJP2

Opportunities are provided to encourage greater overlook of parks and open spaces

WJP1

Corner lot developments are encouraged to address the avenues to create better overlook and a more welcoming pedestrian environment
