

# City Council Public Hearing/ Urban Planning Committee Report

## Distribution Options – Public Amenity Contributions in DC Rezoning Applications

### *Motion on the Floor*

#### **Moved A. Knack – S. McKeen (Made at the December 12, 2016, City Council Public Hearing):**

That Administration provide a report on options to distribute financial public amenity contributions in DC rezoning applications. This report should include an analysis of participatory budgeting as one possible mechanism to distribute any public amenity contributions.

### *Recommendation of the Committee*

That the Motion on the Floor be withdrawn.

### *History*

At the May 3, 2017, Urban Planning Committee meeting, the Committee considered the above-noted Motion on the Floor and heard from J. Watt, Edmonton Federation of Community Leagues Planning and Development Committee; E. Solez, Edmonton Federation of Community Leagues; and M. McLash, Westoak Development. The Committee also considered the May 3, 2017, Sustainable Development report CR\_3883 and the following motions were passed:

1. That Administration work with the Direct Control Zoning Industry Working Group to develop an alternative approach for developer contributed public amenities secured through Direct Control Provision zoning and return to Committee.
2. That Administration develop a mechanism to add some initial community perspective to the Direct Control Zoning Industry Working Group.

At the March 15, 2017, Urban Planning Committee meeting, the above-noted Motion on the Floor was postponed to the May 3, 2017, Urban Planning Committee meeting.

At the December 12, 2016, City Council Public Hearing, the above-noted Motion on the Floor was referred to the March 15, 2017, Urban Planning

Committee meeting to be dealt with in conjunction with the other Community Benefits report.
