

UTILITY COMMITTEE REPORT

Changes to Approved Sanitary Servicing Strategy Fund Program

Recommendation of the Committee

That the following changes to the approved Sanitary Servicing Strategy Fund system plan, as outlined in the January 30, 2023, Urban Planning and Economy report UPE01567, be approved:

- Deletion of the SW6 and SW7 trunk segments and the addition of a pump station and forcemain system in lieu of the SW6 and SW7 segments; and
- Deletion of the SW5 trunk segment.

History

At the January 30, 2023, Utility Committee meeting, the January 30, 2023, Urban Planning and Economy report UPE01567 was considered.
