

MOTIONS PENDING REPORT

10.1 Multi-year Dedicated Climate Levy (A. Salvador)

Councillor A. Salvador stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration provide a report with options for a multi-year Dedicated Climate Levy, including potential parameters and funding amounts in alignment with the Energy Transition Strategy.

- Notice of Motion Given: November 30, December 1/2/7/9/12/13/14/15/16, 2022, City Council - Budget
- Laid Over: January 31, 2023, City Council to February 22, 2023, City Council

10.2 Seniors' Promotion Rate for City-owned Recreational Centres (J. Rice)

Councillor J. Rice stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration develop a new seniors' promotion rate for city-owned recreational centres to encourage participation in non-peak times at city recreational facilities, to be considered as part of the Fall 2023 Supplemental Operating Budget Adjustment.

- Notice of Motion Given: November 30, December 1/2/7/9/12/13/14/15/16, 2022, City Council - Budget
- Laid Over: January 31, 2023, City Council to February 22, 2023, City Council

10.3 Assisted Snow Programs (J. Rice)

Councillor J. Rice stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration provide a report on the following:

1. previous assisted snow programs provided by the City of Edmonton;
2. current assisted snow programs or initiatives underway;
3. jurisdictional scan of assisted snow programs across North America; and
4. summary of potential opportunities for assisted snow program enhancements for Edmonton, including potential partnership opportunities as well an estimate of resource and cost implications.

- Notice of Motion Given: November 30, December 1/2/7/9/12/13/14/15/16, 2022, City Council - Budget
- Laid Over: January 31, 2023, City Council to February 22, 2023, City Council

10.4 Real Time Traffic Monitoring Review (A. Knack)

Councillor A. Knack stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration complete a review of other jurisdictions to identify what is required to have real-time or close to real-time traffic monitoring and to implement traffic dependent detection across Edmonton to improve traffic flow for all modes of transportation. This report is to include:

1. Cost differences for different types of traffic monitoring and detection for traffic signals;
 2. Ways to incorporate this work with other transportation network projects;
 3. The ability of reducing or eliminating pedestrian buttons as part of improving traffic movement for everyone; and
 4. Identify changes to design practices that would be required to formally define signal prioritization to include all modes of transportation.
- Notice of Motion Given: February 6, 2023, City Council Public Hearing

10.5 Arterial Road Assessment (A. Knack)

Councillor A. Knack stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration provide a report on the following:

1. For arterial roads outside the Anthony Henday Drive, provide an assessment of the identified incomplete vehicular infrastructure and how its status relates to City Plan policies, factors of safety, capacity and goods movement;
 2. Provide a list that highlights which infrastructure is the City's responsibility and which are the developer's responsibility to complete; and
 3. Identify work that is planned, if any, for the completion of vehicular infrastructure that is the responsibility of the City and include actions planned from a safety and/or capacity perspective.
- Notice of Motion Given: February 6, 2023, City Council Public Hearing
