TRANSIT PRIORITY IMPROVEMENTS - HERITAGE VALLEY TO CENTURY PARK **FUNDED** PROFILE STAGE: **Approved** PROFILE TYPE: **Standalone** LEAD MANAGER: Pascale Ladouceur PARTNER MANAGER: **Brian Simpson** 

**ESTIMATED START:** July, 2020 PARTNER: Parks and Roads Services **BUDGET CYCLE:** 2019-2022 **ESTIMATED COMPLETION:** December, 2022

**Service Category: Public Transit Major Initiative: GROWTH** RENEWAL PREVIOUSLY APPROVED: 100 **BUDGET REQUEST:** TOTAL PROFILE BUDGET:

#### PROFILE DESCRIPTION

PROFILE NAME:

DEPARTMENT:

LEAD BRANCH:

PROGRAM NAME:

PROFILE NUMBER: 20-20-2020

Implementation of transit priority measures between the new Heritage Valley Park and Ride and the Century Park LRT Station, ensuring efficient service for park and ride users.

#### PROFILE BACKGROUND

This profile supports municipal public transit initiatives, with an emphasis on safe, affordable, accessible and environmentally sustainable public transportation options in and between communities. This new profile will fund a park and ride and transit priority measures - as these types of projects are seen as contributing to the broader transit network, and help to achieve enhanced transit service, mode shift, and reduced emissions.

#### PROFILE JUSTIFICATION

The project is of regional importance and will contribute to reducing general vehicle congestion, encouraging mode shift, and reducing GHG emissions. The proposed transit priority measures will also provide faster and more reliable express transit service to the LRT at Century park.

### STRATEGIC ALIGNMENT

This profile aligns with the strategic objective of making transformational impacts in our community. It will make a discrete and measurable impact on Council's four strategic goals (healthy city, urban places, regional prosperity and climate resilience) by creating a community to connect people to what matters to them.

The work for completion as part of this profile is focused on improving transit service in and around Edmonton to encourage greater transit use and mode shift to more sustainable forms of transportation.

### **ALTERNATIVES CONSIDERED**

There are no alternatives for the business case as this follows the corporate process as approved by the Council to follow Project Development and Delivery Model (PDDM).

In this process, multiple checkpoints occur prior to the budget approval for the delivery of a single project, including a detailed business case, ensuring that budget and schedule commitments are better informed, prior to authorization to construct.

### **COST BENEFITS**

This profile is intended to allow for the development of the project to a level of detail that will enhance information to Council to make betterinformed capital investment decisions.

This profile will ensure there is early investment in planning and design to support a detailed business case; a structured process to evaluate readiness, scope & prioritization; and increased confidence in budget and schedule estimates.

#### RESOURCES

Projects will be delivered using a combination of internal and external resources. Where possible, internal forces will be used to manage and undertake the work. All procurement of external resources will follow relevant corporate procurement directives & policies.

### CONCLUSIONS AND RECOMMENDATIONS

Approval of this capital profile allows for the completion of planning and design in accordance with the PDDM process. Capital funds are required to advance the planning and design of capital growth projects in order to adhere with the Project Development and Delivery Model, and improve project schedule and budget estimates through increased level of design to ensure realistic expectations are set prior to project tendering and construction.

## **CHANGES TO APPROVED PROFILE**

2021 Fall SCBA (#21-30, 3.3-6): This recosting adjustment is required to release \$5,898,000 of tax-supported debt funding from "20-20-2020 - Transit Priority Improvements - Heritage Valley to Century Park". Initially, this capital profile was created to make road/signalling improvements for the shuttle service between Heritage Valley Park and Ride to Century Park station. On June 22, 2021, City Council approved the Capital Line South Light Rail Transit (LRT) Extension. With the LRT extension being approved, these transit priority improvements are no longer required, and the funding is therefore being released.
