New Appointee Biography:

Clodia Kanna

Association of Professional Engineers and Geoscientists of Alberta

Clodia has been calling Edmonton home since she immigrated in 2008. Clodia is a Professional Civil Engineer with 22 years of experience in project management and a Master’s in Business Administration. She is also a business owner and a certified Interior Designer with a creative eye and attention to detail. Clodia strongly advocates for equality, diversity and justice and believes in giving back to the community. She believes in making things better for the next generation by building strong communities, fostering innovation and creativity and creating a better future. Clodia has volunteered with different organizations, from Habitat for Humanity, where she built houses for low-income families, to Windmill Microlending, where she mentors professional immigrants like herself to integrate into the Canadian workforce. Clodia is also a Board Director for the Edmonton Food Bank and advocates for policies to support and serve vulnerable populations. Clodia believes that our actions today will have a significant impact on the world that our children and grandchildren will inherit.
