# 7.2 - Recommendation Follow-up Dashboard

- Administration implemented two (2) recommendations
- Two (2) overdue recommendations
- Twenty (23) recommendations not yet due

Recommendation Aging: Number of Years Since Recommendation was Made

## 7.4 - Grants and Subsidies

**2018 to 2022 Total Grants and Subsidies  
(in millions of \$)**

## 7.4 - Grants and Subsidies

### Findings

- Grants and subsidies governing documents align with good practices.
- Sampled grants and subsidies have clearly defined objectives and align with the City's strategic plan.
  
- Inconsistent administration of grants and subsidies, including monitoring compliance.
- Lack of evaluation of grants and subsidies to determine whether they achieve the intended outcomes.

### Recommendations

- Train business areas on grants and subsidies administration.
- Monitor and report on business areas' compliance with requirements.
- Develop guidance for, monitor and report on business areas' evaluations.

*Thank you*
