Here is a brief public introduction as provided by the new appointee:

Tai Ziola	Edmonton Design Committee
<p>Tai Ziola is an architect and a partner at DIALOG. She is a strong advocate for the role of design in improving the wellbeing of our cities. A graduate of the University of Alberta's Bachelor of Design program in Industrial Design, and UBC's Master of Architecture program, Tai has worked across a wide variety of scales from furniture design to urban planning. She has 18 years of direct experience with seeing a wide range of residential, municipal, institutional, and commercial project types through to completion, and has consulted with the City of Edmonton on issues in zoning, city-building, infill, and sustainability. She is a proud Edmontonian whose passion is working with diverse organizations to empower their unique vision for a better community.</p>
