Brian Carbol	May 1, 2021 to April 30, 2022

Here is a brief public introduction as provided by the new appointees:

Christopher Cambridge	Assessment Review Board
<p>Born and raised in Peace River Alberta, Chris spent over 30 years with the Canadian Armed Forces. Originally as a professional musician in the military concert bands, touring Canada and other countries, then moving into Engineering upon his completion of a Civil Engineering degree. As a Military Engineering Officer, Chris was responsible for Base infrastructure in Canada and overseas.</p> <p>On departing the Armed Forces Chris became a member of the senior manager team at several Alberta municipalities being responsible for: planning, engineering and public works. He completed his municipal career as the CAO of the MD of Bonnyville.</p> <p>Upon retirement Chris and his wife Marlene moved to Edmonton to be nearer their three children and one grandchild who all live in Edmonton and area. They both enjoy recreation in the Edmonton river valley as well as surround areas as avid kayakers and cross country skiers.</p>	

Wayne Dosman	Assessment Review Board
<p>Wayne was born, raised and spent his working career in Edmonton. He holds a Bachelor of Science (BSc) degree, a Graduate Diploma in Management (GDM) and a Master of Business Administration (MBA) degree. Wayne has 40 years of real estate finance and valuation experience with various regional, national and international financial institutions. Actively involved in numerous local business, sports and community organizations, Wayne has a special passion for soccer having been involved in playing, coaching and organizing the sport in Edmonton.</p>	

Neil Hryciw	Assessment Review Board
<p>Neil John was born and raised in Edmonton. He graduated from the NAIT Business program with honors in 1989 and continued his education by completing all Appraisal Institute of Canada courses and articling time. His 30 year career in commercial real estate in Edmonton has included appraising, lending and development. In 2020 Neil established 360 CRE Consulting Inc. and provides advisory services to clients across Canada.</p>	

Kanwal Lali	Assessment Review Board
<p>Kanwal grew up in England, where she received her BSc. in Biochemistry from the University of London and emigrated to Canada 40 years ago and earned her Chartered Professional Accountant designation in Alberta. She has worked in many executive management and strategic leadership roles with many organizations including Deloitte, Crown Corporation, Government of Alberta and most recently as the Director of Taxation for the City of Edmonton.</p> <p>Kanwal has over 30 years of private sector, municipal, and provincial government experience in executive management, strategic planning, change management, program administration, project management, and customer service. Currently, she manages her consulting company that specializes in providing services to learn, acquire, and manage knowledge for personal and business success. Over the years she has supported her Edmonton community by serving on many Boards and volunteering in many organizations. Her passion is to inspire others and make an impact in life.</p>	

Jasbeer Singh	Assessment Review Board
<p>Mr. Singh is an Edmontonian for forty-three years and he started his working career as a commissioned officer in Army Corps of Engineers; served in various combat and project management positions and rose to the rank of Major. Upon immigration to Canada, he served in IT; starting as a senior programmer-analyst and graduated to the role of business planning manager for IT, in Telus. Following that, he delved in some entrepreneurial pursuits, in construction industry, and in financial management. He has been an active community volunteer and served on boards at the constituency and community levels, locally and nationally.</p> <p>Apart from a degree in engineering, Mr. Singh also has a degree in commerce (8. Comm.) and specialized professional education and training in IT, Project Management, Financial Planning. He has been a certified insurance professional and a licensed mortgage broker. Along the way, he served the community as a board member on civic and provincial boards.</p> <p>Mr. Singh has travelled extensively, is well read and well informed on contemporary, social and technology issues; and participates in community public communication endeavours, in print and audio-visual formats, periodically.</p>
