Bylaw 20488 provides debt financing for Community Revitalization Levy Projects:

- CM-74-4100 Downtown CRL
- 21-10-9104 Centennial Plaza Renewal
- 23-74-4105 104 Street Drainage Servicing

During the 2023-2026 Capital Budget deliberations from November 30, 2022, to December 16, 2022, Council approved an increase in the total cost in CM-74-4100 Downtown CRL by \$17.27 million from \$91.78 million to \$109.05 million. This increase will require \$17.71 million in new borrowing.

Additionally, at the March 14, 2023 City Council meeting, through report IIS01640 Capital Budget Update - Standalone Profiles, Council approved 23-74-4105 104 Street Drainage Servicing - New with a total project cost of \$4.27 million that include funding sources of \$2.7 million in Downtown CRL Debt and \$1.57 million in Local Improvement Levy funding.

The above Council approved changes increased overall project costs from \$107.93 million to \$129.47 million, for a total increase of \$21.54 million. Furthermore the decisions above necessitate an increase in borrowing authority by \$20.41 million, from \$87.88 million to \$108.29 million.

In accordance with section 258 of the *Municipal Government Act*, RSA 2000, c. M-26, where an increase to the cost of capital property exceeds 15 per cent of the original cost of the capital property then the borrowing bylaw must be advertised.

Bylaw 20488 will be resubmitted for second and third readings after the advertising and the expiration of the associated petition period.
