

Office of the City Manager

Edmonton

Intergovernmental Update Verbal Report

Item 5.1 Non-Regular City Council Meeting
September 6, 2023

A shared commitment to strong communities

- Partnership with other orders of government is key to achieving City goals
- Examples of shared priorities:
 - Affordability
 - Public safety and well-being
 - Economic diversification and hydrogen development
 - Red tape reduction

Building on City-committed investments

- The City is investing its fair share to advance major strategic initiatives and projects.
- Examples include:
 - \$1.9 billion for infrastructure renewal
 - \$636.4 million for LRT expansion
 - \$278 million to advance energy transition and climate adaptation
 - \$35 million in capital and \$24.7 million annually in grant funding for affordable housing (2023-26)
