BYLAW 20571 - Bylaw to Designate the Revillon Building as a Municipal Historic Resource

Municipal Historic Resources in Edmonton. The building was constructed in 1912, and features Chicago Commercial style influences.

The owner has completed the application requirements to have the Revillon Building designated as a Municipal Historic Resource under the provisions of City Policy C450B.

The regulated portions of the structure, as outlined in Schedule "A" of Attachment 1, will be preserved and maintained. Any future renovation of the Revillon Building will be required to meet the *Standards and Guidelines for the Conservation of Historic Places in Canada*.

The designation of this building and the scope of rehabilitation work proposed make the owner eligible to apply for an exemption for property tax increases over a 10-year period, further to Bylaw 20091 - Heritage Designation Tax Exemption Bylaw, approved by City Council on June 20, 2022.

COMMUNITY INSIGHTS

Through the creation of The City Plan, Edmontonians advised that it was critical to retain and steward historic resources even as the City is redeveloped and modernized, recognized as The City Plan value of "Preserve". Administration has engaged with the owner of the property throughout the designation process. Additional engagement with the public for this process is not a requirement under the *Historical Resources Act*.

Budget/Financial Implications

Upon completion of the project phases, the Heritage Resources Reserve will pay the owner up to \$500,000 for rehabilitation of the historic elements of the structure. The current Reserve balance is sufficient to cover the committed funding, including the Revillon Building.

The total estimated cost of the eligible heritage restoration work for the project is \$1,286,512.50. Beyond the \$500,000 grant from the Heritage Resources Reserve, the owner is responsible for all costs of the restoration work for the project.

Administration is considering a number of potential heritage designations for use of Reserve funds, which will be brought forward for Council approval as required. Based on the current commitments, including the Revillon Building, the Reserve balance is anticipated to be \$5.07 million at the end of 2023. The Reserve is funded by the tax levy on an annual basis (\$2.3 million in 2023 including \$417,550 specifically for the Edmonton Brewing and Malting Company Ltd. building and \$500,000 specifically for Hangar 11).

Legal Implications

In consideration of the incentive payable for the rehabilitation of the Historic Resource (as described in Schedule "B" of Attachment 1), the owners have waived any right to compensation under the *Historical Resources Act*.
