

Edmonton Transit Service Advisory Board - Side-by-Side Comparison

Bylaw 20675 repeals Bylaw 16929 and establishes the Edmonton Transit Service Advisory Committee (ETSAB) as a Council Committee and sets out its membership and mandate. The following table is a comparison of Bylaw 16929 and Bylaw 20675.

Clerical changes and sections that have been maintained have not been included in this document. There are several instances in the existing Advisory Committee establishing bylaws that duplicate standard powers, duties and functions already included in Bylaw 18156 - Council Committees Bylaw (Bylaw 18156), or other governing documents, such as annual reporting requirements or the role of the Chair. These have been removed in the new establishing bylaws to streamline the governing documents.

| Action | Bylaw 16929 | Bylaw 20675 | Rationale |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|--------------------------------------------|
