

Energy Transition Climate Resilience Committee - Side-By-Side Comparison

Bylaw 20677 repeals Bylaw 17431 and establishes the Energy Transition Climate Resilience Committee (ETCRC) as a Council Committee and sets out its membership and mandate. The following table is a comparison of Bylaw 17431 and Bylaw 20677.

Clerical changes and sections that have been maintained have not been included in this document. There are several instances in the existing Advisory Committee establishing bylaws that duplicate standard powers, duties and functions already included in Bylaw 18156 - Council Committees Bylaw (Bylaw 18156), or other governing documents, such as annual reporting requirements or the role of the Chair.
