

New public engagement process

Meeting 1 - Introduction and Information Sharing and Gathering

Meeting 2 - Idea Generation (Broad Concepts)

Meeting 3 - Concept Options Refined

Meeting 4 - Recommended Concept

Steps following completion of the public engagement process

- **Council Hearing** - Recommended changes to land use, reserve designation and statutory plans presented to Council
- **Disposition** - Sales agreement (including requirement for community design engagement process) and transfer of land to builder
- **Community Design process** - A public design engagement process occurs (similar to the process used at First Place Program building sites) prior to development permit application
- **Development/Construction/Sales** activities begin
