

Attachment 1 – Program Summary and recommended grants

Program Summary

The Arts and Museum Building Operating grant invests in a portion of the costs associated with maintaining clean, well lighted, heated and secure arts and museum facilities that are regularly accessible by the public, whose use is of interest to the public and community groups.

Registered not-for-profit arts and museum organizations that own or have long-term leases on concert facilities, theatres, galleries and museums in the corporate limits of the City of Edmonton are eligible to apply.

Grants may be awarded, subject to availability of funds, to a maximum of 25% of an applicant’s total eligible expenses from their most recently completed annual financial statements as of the application deadline.

In 2016 the recommended grants will yield a percentage of approximately 22.7%. *(In 2015 that percentage was approximately 21.5%.)*
