

Urban Planning Committee Report

River Valley Alliance – Capital Program 2017 - 2022

Recommendation of the Committee

1. That the preliminary list of Edmonton-based projects identified in the River Valley Alliance Draft Capital Program 2017-2022, as outlined in Attachment 1 of the August 17, 2016, Sustainable Development report CR_3778, be approved, subject to a report on finalization of cost agreements, proof of concept studies and setting of project priorities.
2. That the City Manager reply to the three questions asked by the River Valley Alliance (with responses as outlined in this report) and indicate that City Administration will continue to work with the River Valley Alliance to determine a cost-shared formula for the projects and to refine the project list, costs and schedules.
3. That Administration work with the River Valley Alliance to bring forward options to improve the North shore west of the Walterdale Bridge and the Touch the Water Promenade, to better accommodate the many users, create vistas, access and gathering spaces, and build a signature promenade experience.

History

At the August 17, 2016, Urban Planning Committee meeting, the August 17, 2016, Sustainable Development report CR_3778 was considered.
