

## 8. Motions Pending

### 8.1 Sliding Scale Fee Proposal for Low Income Edmontonians (A. Knack)

Councillor A. Knack stated that at the next regular meeting of City Council, he will move the following:

That Administration develop a sliding scale fee proposal for low income Edmontonians, including those just outside the low income cut-offs typically used, that would apply to City of Edmonton low income subsidy programs (example: leisure access pass and low income transit pass) and return to Committee with this proposal that would identify a timeline for implementation, requirements/options for funding and administrative requirements.

- Notice of Motion Given: July 12, 2016

### 8.2 Assessment of the Whitemud Creek Ravine (M. Walters)

Councillor M. Walters stated that at the next regular meeting of City Council, he will move the following:

That Administration provide a report on the following:

- A condition assessment of the trail system in North and South Whitemud Creek Ravine, as well as, an examination of the slope stability for these trails,
- Information regarding the condition of other ravine/river valley trail systems throughout the rest of the city,
- An outline detailing the reasons for the degradation of this trail system,
- Past and present capital costs associated with river valley trail repair and maintenance, and
- Potential options and strategies for renewal of the trail system, strategies to mitigate against future trail degradation and the potential capital costs associated with these renewal and mitigation strategies.

- Notice of Motion Given: July 12, 2016
