

# Executive Committee Report

## Blatchford Renewable Energy Utility Model – Memorandum of Understanding

### *Recommendation of the Committee*

1. That Administration post a Request for Expression of Interest to elicit information from potential vendors for the provision of energy services to Blatchford that aligns with Council's vision of a carbon neutral development and uses 100 per cent renewable energy.
2. That Administration refine the technical, operating, and regulatory framework for the Renewable Energy Utility Request for Proposal.
3. That the Request for Expression of Interest, as well as the refinement of the framework, be undertaken to commence construction in Spring of 2017.
4. That Administration report back to Committee in October 2016.

### *History*

At the July 6/7, 2016, Executive Committee meeting, the July 6, 2016, Sustainable Development report CR\_3541 was considered and the Committee heard from D. Young, Axsion GeoEnergy Inc.
