

URBAN PLANNING COMMITTEE REPORT

Options to Address Surface Parking Lots in Centre City and The Quarters - Recommended Regulatory Options

Recommendation of the Committee

That Administration develop a limited program as outlined in the March 19, 2024, Urban Planning and Economy report UPE01557 rev, to regulate Centre City surface parking lots for a time limited period and to reprioritize resources within the development compliance and enforcement program to allow sufficient compliance activities.

History

- At the March 19, 2024, Urban Planning Committee meeting, the March 19, 2024, Urban Planning and Economy report UPE01557rev was considered.
- The Committee heard from A. Hryciw, Downtown Recovery Coalition; and P. McBryan, Edmonton Downtown Business Association.
