

Proposed Fee Changes to Fort Edmonton Park

This attachment outlines proposed fee changes to Fort Edmonton Park.

Fort Edmonton Management Company (FEMCo) is proposing to revise admission fees to address lower than budgeted revenues, escalating cost pressures and a larger park scope due to the Fort Edmonton Park enhancement project. Should Council approve the admissions fee increase, FEMCo will implement the new fee structure for the 2024 general admission season to start in May. There is no impact to the budgeted revenues for Fort Edmonton Park as these changes are intended to help achieve budgeted revenues.
