Community Insights

Administration did significant public engagement, including for the repeal of plans, as part of the District Planning project in 2022 and 2023. In the Northeast District, members of the public shared concerns about the proposed repeal of the Fraser Neighbourhood Area Structure Plan because they were concerned that additional density would result in overcrowded neighbourhoods. Members of the public did not share any feedback about the other plans proposed for repeal in the Northeast District.

For an overview of engagement for the entire District Planning project, see the “Engagement and Communications Summary” (Attachment 4, May 28, 2024, Urban Planning and Economy report UPE01245 Charter Bylaw 24000 - District Policy).
